

🍏 "Arigatou no kai (Parents Appreciation Day)", was successfully completed ♡"

On the coming May 13th (SD site ) and 14th (CVsite), we were able to hold the "Arigatou no kai" for the first time in 3 years. To all the parents who attended, thank you for taking time out of your busy schedules to come! We hope that this meeting was a peaceful and relaxing time for all parents and an opportunity to feel the growth of their children this school year. We sincerely hope that Apple Youchien will continue to be a peaceful and harmonious community for both the children and their parents.
